PROFESSIONAL SUMMARY

Innovative and detail-oriented Interior Designer with a proven track record in creating high-end residential and commercial spaces. Expert in conceptualizing bespoke interior and exterior designs, custom furniture manufacturing, and sales. Backed by valuable practical experience and mentorship from expert engineers in project execution and complete site handover from inception to completion (A to Z). Possesses a solid background in regional public relations, finishing materials, 3D modeling, and rendering processes.

PROFESSIONAL EXPERIENCE

Interior Designer (Bespoke Designs & Execution) | *Freelance*

2026 – Present

- Conceptualize and deliver comprehensive interior and exterior design solutions for diverse projects.
- Design custom, signature furniture pieces with a unique aesthetic touch, managing fabrication for real-world implementation and sales.
- Conduct site visits and handover training (A to Z) under mentorship of Eng. Abd Itani & Finishing/Tiling Expert Mohamed Khaled.
- Resolve complex on-site construction and design conflicts efficiently, ensuring zero project delays and high quality.
- Utilize advanced AI tools to streamline workflows and upgrade project development processes for optimal professional results.

Public Relations Manager | *CoinEx (Lebanon & Arab World)*

2023 – 2026

- Managed high-level client relationships and strategic brand representation across Lebanon and the Arab World.
- Directed regional branding strategies that significantly increased market visibility and audience engagement.
- Organized major seasonal corporate events to promote company services and foster regional partner relations.
- Supported regional marketing campaigns, tailoring engagement to fit the Arab world and Lebanese market demographics.
